Mazda MX-5 MiataWorld II Highlights '09

After hearing about MiataWorld II for more than two years now, it finally seems to be getting close. Clubs everywhere in the U. S. , including our club, has rearranged some of our regular events to accommodate plans for the big weekend in Dallas this spring. For instance, as of this writing there is no Statewide planned this year because c'mon, we Texas are hosting the event of the year!

Last time I checked the list of attendees is pretty impressive as people will be coming from all over the world. Canadian clubs are among those listed at the MiataWorld site. Considering the first announced cost of \$300 per person, the list is also long. I'm sure the idea of winning the new MX-5 that will be given away at the event has fueled many to sign up. As of this writing the entry fee is still the same but plans are to raise the price February 1st. So, if your planning on going, hurry and get signed up! Rooms at the Gaylord Texan are usually near \$300 per night, too, but the special rate of \$139 for Miata participants is unheard of! Get your rooms reserved and be where the action is!

More details and information is on page 5.

No, that's not a 2010, it's a 2009 shown at the Paris Auto Show. You can pick up your 2010 model this fall if you win one at MiataWorld! Are *you* registered?

Busy, busy, busy! It seems the faster I go, the behinder I get! I promise to get caught up on club matters this year, in fact, it's one of my resolutions for 2009! Our planning meeting was a success despite the small turnout. Don't forget, it's easy and fun to lead a run, so peruse the lineup in this issue and pick out a date to either lead a hamburger run or a full blown run! Don't be shy, we all started somewhere and everyone will be thrilled to support you! Keep on zoomin!

Bluebonnet Miata Caribbean Cruise 2010

Hello Miata Cruisers,

We now have an additional incentive to get your deposits in for our next cruise. There will be a \$100.00 per cabin ship board credit. It is not too early to get your deposits in. We are holding cabins at the best possible price and the best locations are going fast. Last year those that were able to get cabins close together really had a great time of it. Of course if you are looking for a cozy, romantic hideaway, that option is available also (I won't tell where you are).

A deposit of 250.00 per person will hold your cabin and price. The final payment is not due until the first week in November.

If you have not looked at the Bluebonnet web lately, please look at the link for the cruise. Don has done a fabulous job putting it together. You can see from the pictures, what fun we had last year.

We hope to double the number of people this time. We already have someone from an other club booked. Please feel free to email me at marcia@cruisevacationsintl.com or call me 830-627-8678 for prices and more information.

We hope to see you soon.

Anything but E-Z for your old scribe, a new job has kept me super busy and combine that with very little interest in you folks offering items for the newsletter, this issue is smaller than

usual. I'm hoping better weather and more runs will spur more interest. This is *your* newsletter, please help!
